**RESPECTFUL REQUEST FOR THE COURT TO APPOINT THE
MAGISTRATE JUDGE TO DETERMINE PROPER ALLOCATION OF
COMMON BENEFIT FUND**

In light of the fact that all of the parties to the litigation have relations (including the potential appointee), it is requested that the Court appoint the Magistrate Judge that the Court has already appointed for legal fee issues.

Most of the players I represent were retained in 2011 and 2012. Several years before, the class action was approved. A lot of work has gone into the case before and

after the class action approval. It would be best if the person who is placed in charge of evaluating legal fee issues is familiar with the work done both before and after the class action was approved.

Respectfully Submitted:
